

Dear refugee child!

I am really sad because you are homeless. I hope you will come to a better place where you will be happy with your family. I hope that for Christmas you will be taken care of as I am. When you have everything that you want, you take it for granted. I want you to know that I am thinking of you and you do not deserve any of these, you deserve a better life! I want you a Merry Christmas and happy New Year! I know that you will return to your homeland soon and live in peace!

With love from

Petra, Dora, Tea!
